Medical and Physical Exams • Unlimited**

Dental Cleaning

Diagnostic X-Rays (3 Views)

Vaccines • Vaccines are given based upon your dog's lifestyle, age and health status.

Annual dental cleaning is the "standard" for most dogs. For pets with severe dental disease, we have an option for semi-annual cleanings. Healthy mouths protect against numerous diseases and improve oral hygiene -meaning better breath!

* Whole body - additional \$59.00

Diagnostics

• **Twice-a-year intestinal parasite test (fecal exam)**

• **Heartworm test (4DX Test)** - Includes screening for common tick-borne diseases.

• **Health screen (Blood work & Urinalysis)**

Internal physical exam, allows for early detection and prevention of disease, such as anemia, diabetes, kidney disease and bladder infection.

• **One Ear cytology test** (detects ear infection)

Grade 3 & 4 cleanings and extractions require additional fees.

• **2 Dental x-rays** (as needed)

* Full mouth dental x-ray additional \$89.00

• **Toenail Trim** (included at time of dental cleaning)

Additional Wellness Blood Screen

† Wellness Screen Level 1
