Dental Cleaning

Diagnostic X-Rays (3 Views)

Vaccines • Vaccines are given based upon your cat's lifestyle, age and health status.

Annual dental cleaning is the "standard" for most cats. For pets with severe dental disease, we have an option for semi-annual cleanings. Healthy mouths protect against numerous diseases and improve oral hygiene - meaning better breath!

* Whole body - additional \$59.00

Diagnostics

- Twice-a-year intestinal parasite test
- Senior health screen (Blood Screen & Urinalysis)
Internal physical exam for the middle age and older pet, allowing for detection and prevention of common problems of pets that are 7 and older, such as anemia, infection, diabetes, kidney, liver, endocrine and bladder diseases.

Grade 3 & 4 cleanings and extractions require additional fees.

Additional Wellness Blood Screen

† Wellness Screen Level 1

Parasite Prevention

- Twice-a-year deworming (roundworms & hookworms)

- 2 Dental x-rays (as needed)
* Full mouth dental x-ray additional \$59.00
- Toenail Trim (included at time of dental cleaning)

Added Benefits For ALL Plans:

- 10% Discount on 6 month supply or more of Heartworm & Flea Medications (*We recommend year round heartworm and flea preventative.*)

- 35% Off second Wellness Blood Screen & Heartworm Test as needed

- 35% Off second Therapeutic Monitoring Screens (Phenobarbital, Thyroid, Fructosamine)

* Applies to most medical services/medications, pet food excluded. ** There is a \$15 fee for all emergency exams and extended exams.
